

# LSGHM Term 4 2024

Dear Parents and Carers

Welcome to term 3 2024! We hope everyone had a relaxing break. This letter is a brief outline of what your child will be learning this term. Please continue to support your child's learning at home by reading with them every night. As the weather begins to warm up and temperatures between inside and outside vary, clothing is often taken on and off, so please ensure that all of your child's belongings, especially hats, jumpers and water bottles, are very clearly labelled. As a SunSmart accredited school, students are required to wear SunSmart hats outside.

## Mathematics

This term, students will be given many hands-on opportunities to understand and explore:

- numbers to 20, know, read and write (and beyond for students working above this level)
- addition and subtraction to 20
- data and graphing.

## English

Our explicit English program is progressing nicely. Students are engaging in activities focussed on reading, writing, spelling, comprehension, fluency and grammar skills. Through fun and predictable activities and tailored instruction, students have the opportunity to enhance their literacy skills across these domains.

## Science

This term we will continue to look at Physical Sciences and describe how objects move and how factors including their size, shape or material influence their movement.

### Forces - Pushes and Pulls

## Specialists

All LSG classes will participate in specialist classes throughout the year including PE, STEM and Art. This term our class will continue to do Art with Miss Wilcher.

## Integrated Unit HASS

LSGHM will focus on celebrations around the world. We will investigate how different cultures observe the same and different celebrations and cultural events.

## Dates to Remember

- ◆ Kindergarten BASE testing, weeks 2 & 3
- ◆ Friday 25th October, P&C Disco
- ◆ November 5th to 8th, Bookfair
- ◆ Friday 8th November, Year 6 Market Day
- ◆ Friday 22nd November, P&C Fete 4pm
- ◆ Reports sent home end of week 8
- ◆ Friday 13th December, School Academic Assembly
- ◆ Tuesday 17th December, last day of the school year.

## The Arts

This term we will participate in drama and visual arts activities. In Drama, they will explore voice and movement to act out simple books and scenarios. Students will participate in Visual Arts lessons both in the mainstream Kindergarten classroom and during specialist lessons. They will create pieces using a variety of media and techniques to communicate their ideas to an audience.

## W@M—Wellbeing at Macgregor

Our W@M lessons this term will focus on ways to display a growth mindset, the power of 'Yet' and how to show gratitude.

## Library

LSGHM will have a borrowing session in the Library every Monday morning. Please encourage your child to bring a library bag to school as they will require one in order to borrow books (this is in addition to the green home reading folder that your child has, and should be bringing in to school every time they read a new book).

## Physical Education & Health

Students will be involved in regular P.E. sessions throughout the week in both our regular classroom and mainstream Kindergarten classroom, that will focus on the fundamental motor skills. Our health focus will be on healthy habits, protective behaviours and building strategies to use the Zones of Regulation when coping with big emotions.
